## History

The First Agricultural Fair was held on September 11, 1957. It included a parade, rodeo, cattle judging, sheep dog herding, horse show, calf sale, poultry, home baking, handicrafts, flowers, grains, canning and school displays. A baseball tournament ran all day and the day ended with a harvest ball. Today, the Ag Society continues to support the community through Farmers Markets, Canada Day festivities, fundraising, grant funding, and youth development and scholarships. Our members are passionate about our community, equestrian sport and development, and celebrating western heritage and agriculture.

## Vauxhall Agricultural Society

Celebrating Western Heritage by supporting our community, youth development and agriculture.

# Rural Roots

The Ag Society encourages improvement in agriculture and quality of life for its community members through education, events, services and facilities.

"The contributions of the Ag Society have been invaluable to the Vauxhall community! From the rodeo grounds to the farmers markets, demolition derby, and everything in between, we are thankful to their committed members for making Vauxhall a better place to live, work and play!"

*Kim Cawley, Mayor of Vauxhall*

"The Vauxhall Ag Society's support has been a huge factor in my success in and out of the rodeo arena. This support ranges from my experience running for Miss Rodeo Canada, my time as the Alberta High School Rodeo Queen, team roping under the lights at the Rodeo Grounds and the scholarships I received for my high school academic achievements."

*Jesse Ferguson, Miss Rodeo Taber '23*
